TRANSMITTAL OF SUPPLEMENTAL DECLARATION

Sir:

Please enter into the record, the attached Supplemental Declaration, which is a copy of the signed declaration filed for application 08/729,105, (a previously filed 37 CFR § 1.53(b) application) and is submitted for the above-identified continuation application (hereinafter "the '750 application").

Please issue a Corrected Filing Receipt listing the names of all five inventors. The filing receipt mailed May 23, 2001 lists only four inventors. A marked-up copy showing corrections in red ink is attached.

The '750 application is a continuation of application serial number 09/366,345, filed August 2, 1999 (now USPN 6,240,447), which is a continuation of application 08/729,105, filed October 11, 1996 (now USPN 5,931,904) (hereinafter "the '105 application").

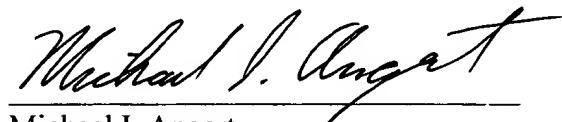

The declaration filed with the '750 application was intended to be a copy of the as-filed declaration of the '105 application. The declaration of the '105 application was signed by each of the five inventors -- each inventor having his own signature sheet. By mistake, in good faith and without deceptive intent, the declaration filed with the '750 application substituted the declaration signature sheet of inventor Kiem-Phong Vo with the assignment signature sheet of

inventor Kiem-Phong Vo. Therefore, the Supplemental Declaration including copies of all original signature sheets is attached.

The Office is hereby authorized to charge all required fees, including all required extension of time fees under 37 C.F.R. 1.17, or credit any overpayments to Deposit Account 11-0600.

If the Examiner believes, for any reason, that personal communication will expedite prosecution of this application, the Examiner is invited to telephone the undersigned at the number provided.

Respectfully submitted,

Michael I. Angert
